- Flood control, Shore Protection
- Water Supply, Regulatory
- Recreation, Disaster

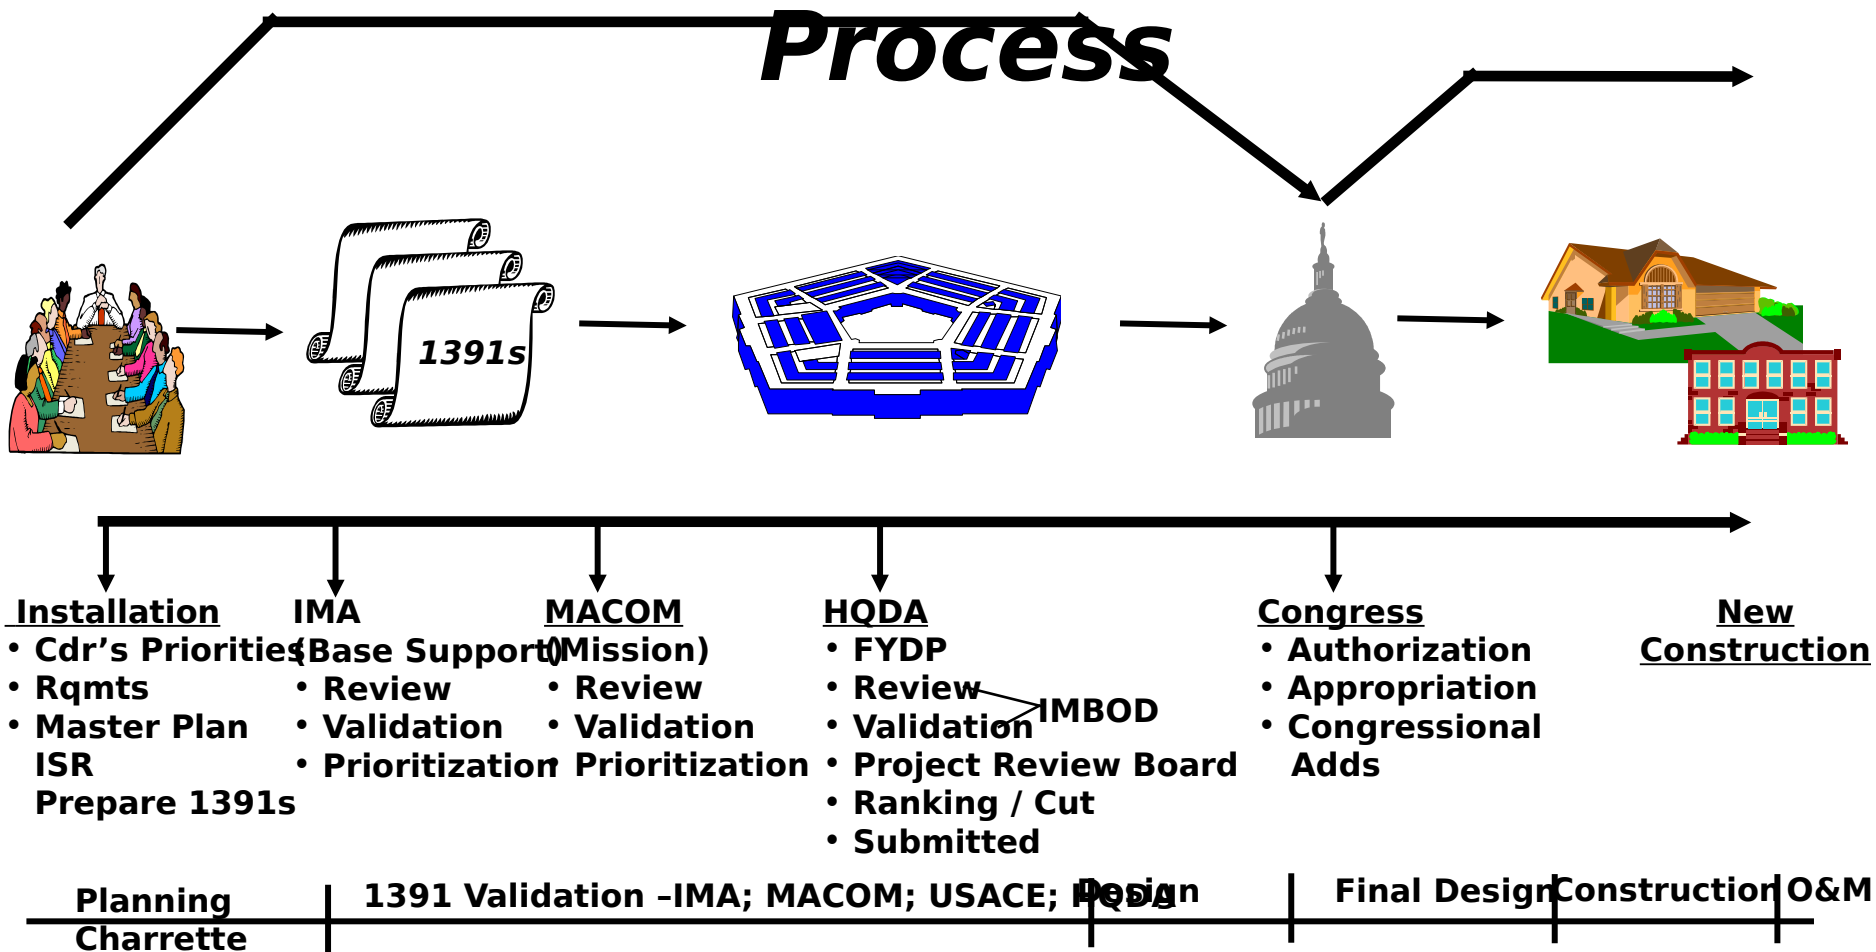

Real Estate

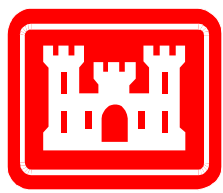

- Acquire, Manage & Dispose
- DOD Recruiting Facilities
- Contingency

The Military Construction Process

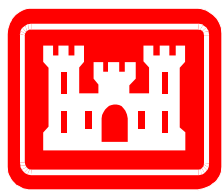

USACE Support to Installations

Our Goals

- Supporting Army installations (incl. ACSIM & IMA) is our business.
- Relationships (Garrison, Regions, HQs, MACOMs, IMA, ACSIM, etc.) ... essential to 'brick & mortar' success.
- Planning is key
 - Commo, co-location, cooperation.
- Use whole team
 - ACSIM, IMA, RBC, HNC, ERDC, HQs, private-sector, others.
- Costs ... critical – but so is quality.
 - Responsiveness
 - Products
 - Communication

Environmental Programs

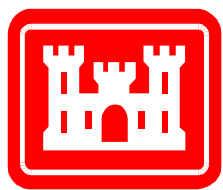

Military

- Installation Restoration Program
Support (Army & Air Force)
- Base Realignment & Closure Act
- Environmental Quality Support
- Formerly Used Defense Sites
- Defense State Memorandum Of Agreement

Civil Works Restoration

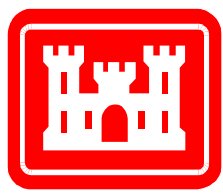

Interagency & International

Stability and Reconstruction Operations

- **Security environment more challenging after 9/11**
- **USACE mission:** provide responsive and tailored engineering and technical capabilities to the Combatant Commanders and other agencies...
- **USACE Strategic Principles:**
 - Agility
 - Decisiveness
 - Integrated Support
- **Operational Design:**
 - Develop deployable and fully modular Field Force Engineering redesign that integrates USACE capability into DA modular force construct and Engineer Regiment's Future Engineer Force redesign
 - Partnering with DOS Office for Coordination for Reconstruction and Stabilization (S/CRS) and others on future USACE recon/stabilization missions

Military Real Estate Support to Army

DIRECT FUNDED PROVIDES:

- **Support to existing facilities: Minimal oversight of existing in-leases and outgrants**

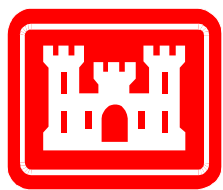

REIMBURSABLE ACTIVITIES: (approx \$10.5 for FY 03)

- **Lease renewals, New Leases, New Land Acquisitions (some may be MILCON funded), New Outgrants**
- **Disposals, especially legislative disposals**
- **Appraisals and Legal Support**
- **Encroachment Resolution**
- **Planning and advisory services to the installation**

UNFUNDED ACTIVITIES:

- **Compliance Inspections of Direct Funded Actions**
- **Stewardship and legal responsibilities**

**GOAL: Fix UFR; Shift
from Reimbursable to
Direct Funded Posture**

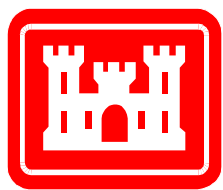

Support to USACE

Intelligence & Security Countermeasures (G2)

- **Newly approved G2 Section supporting Military Programs and Civil Works**
- **Provides intelligence analysis/products, policy guidance and oversight to Headquarters, Divisions, Districts**
- **Reachback intelligence support to deployed USACE elements**
- **Leads Interagency Forum for Infrastructure Protection (IFIP) for Dams (Locks/Levies)**
- **Supports Contingency Planning and Current Operations**
- **Security Countermeasures Policy and Oversight**
 - **Foreign Disclosure, Special Security Office, Information Security, Communications Security, Technology Protection, Security Education/Training**
